Please sign up for Remind if you would like to know when the weekly parent letter is posted at www.gmsela8.weebly.com. Remind is also a great way for teachers to communicate with parents directly without sharing personal contact information. You do not need to download the app in order to use the program. Remind information is on the back of this newsletter.

Also, if you're interested in following your child in Google Classroom, please Remind message me your email address with "add to google classroom," so I can send you an invitation.

Sincerely,

Mrs. Karen Belleau belleauk@gaylord.k12.mi.us

Mrs. Kylie Eisen eisenk@gaylord.k12.mi.us
